STANDARD FEES

\$40 Activation fee per MID.

\$10 Account fee of per month per V#

\$10 Monthly 24/7 support fee.

Optional \$60 for a detailed 60 minute training session.

3G Poynt units require a separate AT&T or T-Mobile Data Plan (Choice does not supply these data plans).

* Must utilize eHopper or CashDiscount by Cash Discount third party application. Choice does not interact with the native Poynt terminal interface or provide direct technical support. Billed directly to merchant from licensor. eHopper: \$39.99 per unit; CashDiscount by Cash Discount: \$9.99 per month per unit.

FEATURES & BENEFITS

Cash Discount certified with the use of third party application.*

Maintain a customer database for repeat or monthly orders.

Track employee hours and individual sales.

Generate reports, track sales and inventory trends.

Reduce double entry issues while providing easier reconciliation and quicker inventory management.

EMV security protects cardholder data and decreases fraud.

Quicker sales and more accurate, timely inventory which lead to increased repeat business.
